

Charlotte Mason's House of Education,  
Scale How, Ambleside, UK, 2009

The **Charlotte Mason Digital Collection** is a not-for-profit database created in 2009-2011 to assist scholars, researchers, educators and students to discover, use, and build upon the Charlotte Mason Collection of archives, journals and books housed in the Armitt Library & Museum (UK). To learn more about this database or to search the digital collection, go to [The Charlotte Mason Digital Collection](#).

Your use of images from the **Charlotte Mason Digital Collection** is subject to a [License](#). To publish images for commercial purposes, a license fee must be submitted and permission received prior to publication. To publish or present images for non-profit purposes, the owner, Redeemer University College, must be notified at [cmdc@redeemer.ca](mailto:cmdc@redeemer.ca) and submission of a copy of the context in which it was used also must be submitted to the owner at [cmdc@redeemer.ca](mailto:cmdc@redeemer.ca). Credit lines, as specified in the [License](#), must accompany both the commercial and non-profit use of each image.

Unless you have obtained prior permission, you may not download an entire issue of a journal nor may you make multiple copies of any of the digital images. Higher resolution images are available. [Low resolution (150 dpi), single copy printing is permitted: High resolution images for publication can be purchased. Please contact Redeemer University College in writing as specified in the [License](#) to request high resolution images.

While the document originals are housed in the Armitt Library & Museum, Redeemer University College owns the rights to the Digital Images (in jpg/pdf format) of the original archival documents and artifacts. The original Digital Images and database metadata are owned and maintained by Redeemer University College. Multiple images are bound together in PDF Packages. Click [here](#) to download the latest version of Adobe Reader for better viewing. In the PDF, click an image thumbnail to view it.

This project was made possible through collaboration among the [Armitt Library & Museum](#) (Ambleside, UK), [Redeemer University College](#) (Ancaster, Canada) and the [University of Cumbria](#) (UK) and with the financial assistance of the [Social Sciences and Humanities Research Council of Canada](#).

**Need help?** If you do **not** see a side-bar with image thumbnails:

Some of the PDF packages are large and will take some time to download. A very large PDF package may open more successfully if you download it first to your desktop. (From inside the database record, right-click on the link to the PDF package and save the link to your desktop.) Once it's on your desktop, you can open it up with a recent version of [Adobe Reader](#).

**If you have a Macintosh with Safari**, the default program to open PDFs is Preview, which does not open the PDF packets. Mac users need to download [Adobe Reader](#). If this cover page appears without a list of PDF files (either at the side or bottom of the screen), look for a paper clip or a menu option to view attachments. If you click that, you should see a list of the pages in the PDF package.

**Viewing files with Linux:** This works with the default PDF viewer that comes pre-installed with Ubuntu. While viewing this cover page in the PDF viewer, click "View" on the top toolbar, and check the box that says "Side Panel". That will bring up the side panel. The side panel will show only this cover page. Click the 'arrow' at the top of the side panel, and it will give you the option to view "attachments." If you click that, you should see a list of PDF files, which are the pages in the PDF package.
